

SPORTSMEN'S TENNIS
& ENRICHMENT CENTER

Tennis and Education for Life

2017—2018 Membership Application

September 1, 2017 to August 31, 2018

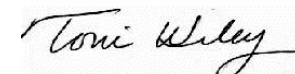

Sportsmen's Tennis & Enrichment Center is a 501(c)(3) non-profit organization. Our mission is to **build leaders on the court, in the classroom and in the community by providing academic and social development programs alongside recreational & competitive tennis instruction for youth and adults.** Sportsmen's is committed to improving life opportunities for youth in Boston's Blue Hill Corridor while welcoming a diverse community from the Greater Boston area.

We believe that youth who develop a 'Growth Mindset' (*a belief that he/she can get smarter and stronger with effort*) in their academic achievement, social and emotional wellness, and acquired skills, such as tennis, will have the tools necessary to graduate high school on time, complete post-secondary education and/or enter the workforce and live a productive and fulfilling life. Youth who are confident that they can persevere through challenges are best prepared to see their dreams and visions become realities.

Membership at Sportsmen's underwrites critical youth development programs and scholarship support for our tennis clinics and summer camp. It also allows adults to have contractual court time, enjoy lower rates for private lessons and compete on our travel teams, like the **Men's A-1 team shown here** which won the Central MA Indoor League in 2017! **Our new annual fund program, 2020 Visionaries, invites you to combine your annual membership fee with support for our youth programs.** See more inside.

Sportsmen's is the most affordable tennis organization in Boston, and our membership is vibrant and diverse. We welcome you to start or renew your membership and enjoy a lifelong journey of fun, fellowship and tennis!

Warmly,  Toni Wiley, Executive Director

About Sportsmen's

Sportsmen's Tennis & Enrichment Center leverages tennis to open doors of opportunity for youth in some of Boston's most underserved communities. Unlike many non-profit tennis organizations, we employ top-level, certified coaches who have competed or trained players at the highest levels of tennis. Our goal is to develop players capable of playing college tennis.

Sportsmen's is one of the 20 largest organizations in the United States that combine tennis with academic and life skills programming for youth, under the US Tennis Association (USTA) National Junior Tennis & Learning (NJTL) concept created by Arthur Ashe. We serve over 5,000 young people annually from all walks of life.

In addition to our youth programs, Sportsmen's is the home club to roughly 300 adult members who rent courts, take lessons, compete on our traveling teams, and share their time and talents with our youth. We also provide health and wellness programs that target the most pressing chronic health issues in Boston's inner cities.

Sportsmen's has four mission-driven program areas:

1. **Youth Tennis** – We seek to place local, low-income and/or minority youth on a clear developmental pathway to high performance, college/post secondary level tennis;
2. **The Learning Center (TLC) at Sportsmen's** – TLC Youth enrichment programs provide high-quality out-of-school time (OST) academic tutoring for less-advantaged K-5 students to build fundamental skills in reading, science and math. We use evidence-based practices to develop character, self-confidence and self-management, promoting respect for self and others, with a focus on social and emotional wellness;
3. **Health and Wellness**—Sportsmen's brings free life-changing health and wellness programs, including educational forums and free use of our fitness center for neighborhood adults through the Brigham and Women's Center for Community Wellness (CCW). We incorporate a similar curriculum into our free youth development programs; and
4. **Adult Tennis** – Adult tennis is pivotal to furthering the Sportsmen's mission, modeling a healthy, active lifestyle for our youth, encouraging adults to become or remain active throughout their lives, and providing both a source of revenue and a pool of committed volunteers.

2018-2020 Strategic Plan: *2020 Vision*

2020 Vision Articulates Four Strategic Goals Aligned with our Theory of Change

* Offer Junior Tennis programs that place local, low-income and/or minority youth on a clear developmental pathway to high performance, college/post-secondary level tennis, and adult programs that engage the community and provide affordable competitive and recreational tennis.

* Provide high-quality afterschool academic and enrichment support for less advantaged youth at the K-5 levels.

* Offer youth leadership programs aligned with the BPS Achieve, Connect & Thrive framework, which focuses on critical thinking, creativity, perseverance, social awareness and relationships, communication, teamwork, growth mindset, self-efficacy and self-regulation.

* Leverage the Brigham and Women's Center for Community Wellness (CCW) at Sportsmen's to provide health & wellness programs for neighborhood adults and families.

Membership Plans and 2020 Visionaries

We invite you to support Sportsmen's mission and our execution of the 2020 Vision Strategic Plan by adding a tax deductible contribution to your membership. In 1961, our founders adopted the slogan "Adults Pay So Kids Can Play!" That vision is still alive today. Donors will be recognized in a number of ways throughout the year, and your support will directly impact our ability to provide free and low cost tennis, academic and social development programs to local youth.

Basic Membership: \$325 each or \$600 for 2 Adults. Not tax deductible.

Camp Sponsor underwrites 1 week of summer camp. Donors will be listed in our Annual Report. **\$500. \$200 is tax deductible.**
